- 警告**  
Warning!
- 重要な注意事項があるマ  
必ずお読みください。  
Do not overlook this symbol!

The pre-covered film on ARF kits may wrinkle due to variations of temperature. Smooth out as explained below.

Use an iron covered with a cloth! Start at low setting. Increase the setting if necessary. If it is too high, you may damage the film.

**1** **警告**  
Warning! Securely glue together. If coming off during flights, you'll lose control of your airplane which leads to accidents!
